

Doug Pollock is committed to guiding God's people into outward focused living. He is an author, a speaker, a chaplain in the YMCA, and a reflective practitioner whose focus is to help Christ followers worldwide increase the quality and the quantity of their spiritual conversations in practical, doable, and authentic ways.

Since 1983, Doug's ministry with Athletes in Action has taken him to 39 different countries, 6 of our 7 continents, and throughout most of the United States to share God's never-changing message with an ever-changing world.

His two books "Irresistible Evangelism" and "God Space" in combination with his outwardly-focused workshop have opened up doors for Doug to speak in faith communities worldwide. He is a frequent speaker at regional and national conferences across the U.S. He's had the privilege of speaking at the Pentagon's Prayer breakfast in Washington D. C., the national staff conferences of Campus Crusade for Christ (now known as CRU) in the U.S, Canada, Moldova, and Poland, and has done two national speaking tours of New Zealand.

Doug has an undergraduate degree from Kent State University, and graduate degrees from Miami of Ohio, and Columbia International University. He is married to his wife Martha, and they have 2 boys named David and Jonathan. They make their home just outside of Cincinnati, Ohio.
